

- 1.0 **ITEM / P/N:** 517
- 2.0 **ITEM DESCRIPTION:** Plastic belt clip, ratcheting, for case mounting.
- 3.0 **COMPOSITION:** One assembled item molded in a blended ABS polycarbonate resin. The belt clip is molded as a five-piece design. There are three small metal parts, a small tempered steel O-ring, a bent tempered plate spring and a stainless steel hinge-pin. The assembled product and design provides tension necessary to retain position and grip on a belt or other similar clothing. This item is generally applied to a portable device enclosure, or case with screws, rivets, or a corresponding size 3M VHB adhesive (item #924) to secure or mount the belt clip.
- 4.0 **PACKAGING:** Primarily offered in bulk quantities of 800 pieces. In large bulk quantities, this item is typically shipped in a single reinforced cardboard box. Inside each 1000 piece master carton each one (1) piece is enclosed into a clear poly-sleeve to protect the finish during shipping. Individual retail packaging, kitting or polybagging is available at additional cost.

Master carton box specifications are: 23.92 US Pounds or 10.85 Kilograms.

Width 20" / 51cm  
Depth 14" / 35cm  
Height 7" / 18cm

- 5.0 **MARKINGS:** The number '2' on the inside of the outer (front) component. The number is integral into our mold and is easily seen between the hinge-pin support lugs of the clip as it is opened.
- 6.0 **PRODUCT PHOTOGRAPHIC :** Item #517 Belt Clip - Plastic Belt Clip

- 7.0 **SAFETY:** All material and finished components are **RoHS** compliant and lead-free. Product contains no electronic components.
